The Season Program is published annually by the String Orchestra of the Rockies - over 1,000 copies are printed and distributed throughout the season at all four SOR concerts. Advertising in the Season Program will ensure that your business is seen by a very loyal, diverse, and community-supportive audience. All businesses that advertise in the Season Program will also be listed on the sponsor page of the SOR website. Each advertisement includes 1-hour of graphic design assistance with your print-ready business logo and/or artwork. See back of this page for ad sizes and layout options.

To ensure ad placement, the advertising reservation deadline is August 1, 2019.

Do not miss this opportunity to be a part of our exciting concert series!
